Theodore R. Kulongoski, Governor

Department of Transportation

Region 3

3500 NW Stewart Parkway

Roseburg, OR 97470

OR 230/OR 138: North Umpqua–Upper Rogue, Bundle 560, Region 3 Notice of Subcontracting Opportunities

The Oregon Department of Transportation is planning a bridge construction project in ODOT's Region 3 within the next six months.

The project—OR 230/OR 138: North Umpqua–Upper Rogue, Bundle 560—is part of ODOT's OTIA III State Bridge Delivery Program. It consists of the repair of four bridges (02496, 03461, 07904 and 16861) along Oregon 230 and Oregon 138 in Douglas and Jackson counties.

The cost of this project is estimated to be \$7.9 million. The anticipated construction bid let date is March 2010. It is estimated that construction will be complete in November 2011.

Contracting and subcontracting opportunities are potentially available on Bundle 560. The following is a general list of opportunities typically subcontracted on similar highway construction projects. This list is for reference only, as neither ODOT nor any awarded contractor is obligated to subcontract these specific scopes of work.

- Bridge joints
- Concrete core drilling
- Concrete cutting/deck grinding
- Concrete repair/epoxy crack injection
- Environmental
- Erosion and sediment control
- Fence fabrication and installation
- Guardrail
- Paving
- Permanent seeding
- Permanent striping and signage
- Ready mix concrete
- Reinforcing steel fabrication and installation
- Survey
- Traffic control/flagging
