Roadside Development Project
(Bids to be opened and read November 2, 2006)

The following changes are made to the Project Special Provisions:

1. Subsection 00291.40(c) Hazardous Waste Manifests - Replace the second bullet which begins "The Transporter..." with the following:
 - The Transporter shall sign and date the hazardous waste manifest indicating the Transporter's receipt and acceptance of the waste material. The Engineer shall sign the manifest as the generator and retain a copy. The remaining copies of the manifest shall be given to the Transporter and shall be carried with the waste shipment to the treatment or disposal facility.

These changes will be included in the Contract for this Project. It is understood that your Bid will be submitted accordingly.
