Addendum No. 1

TO: PLAN HOLDERS

**PREPARED AND
APPROVED BY:**

John K. Parsons, P.E.

SUBJECT: Ritner Creek Covered Bridge Rehabilitation
Kings Valley Highway
Polk County
Structure Project
(Bids to be opened and read March 23, 2006)

The following change is made to the Project Special Provisions:

1. Subsection **00290.32(b) Work Containment System (WCS)** - The second and third sentences of the paragraph that begins with the words "The WCS shall consist of..." are replaced with the following two sentences:

Design the containment system for not less than self-weight plus sufficient capacity for debris weight plus removal equipment, as applicable. Debris weight includes the possibility of all possible construction material loads imposed on the containment system.

This change will be included in the Contract for this Project. It is understood that your Bid will be submitted accordingly.
