TO: Prospective Bidders

SUBJECT: I-5: Tualatin River – Willamette River Bridge Sec.
Pacific Highway
Multnomah, Washington & Clackamas Counties
Grading, Drainage, Structures, Paving, Signing & Signals Project
(Bids to be opened and read April 23, 2009)
LETTER OF CLARIFICATION #1

The following information is provided in response to questions or issues of significance that have been raised by one or more prospective bidders. This is for information only and there are no addenda that will result from this information.

- The Agency has conducted geotechnical investigations and the written reporting is available for viewing by Bidders at the Engineer's office.
- Subsection 00180.40(c) describes certain work that cannot be started until September 1, 2009.
- Supplemental plan sheets provided at the end of the bid plan set show existing pavement section information at locations where general excavation and sawcutting will be required.
