### The following change is made to the Project Special Provisions:

Subsection **00540.24 Deck Finishing Machine** - Replace this subsection with the following:

**00540.24 Deck Finishing Method** - 21 days prior to the first Deck Pre-Placement Conference, submit unstamped working drawings according to 00150.35. The deck shall not be placed until the working drawings are approved by the Engineer. Provide a deck finishing method that is:

- Capable of finishing the entire deck surface or the specified stage construction width
- Capable of striking off the concrete to the specified grade shown
- Capable of vibrating the concrete to meet the requirement of this Section

Furnish calculations and detailed drawings of the proposed deck finishing method support system according to 00540.41.

This change will be included in the Contract for this Project. It is understood that your Bid will be submitted accordingly.
