Letter of Clarification #1

The following information is provided in response to questions or issues of significance that have been raised by one or more prospective bidders. This is for information only and there are no addendums that will result from this information.

There has been a question raised about the earthwork associated with the sidewalk and driveway construction in Bly. Earthwork quantities for this work are estimated as follows:

Embankment = 600 cubic yards
Excavation = 100 cubic yards

The embankment quantity has been incorporated into the Embankment pay item.
