### The following changes are made to the Project Special Provisions:

1. Subsection **00170.70(c) Additional Insured** - The paragraph that begins with the words "The Contractor shall include..." is replaced with the following:

The Contractor shall included the State of Idaho, the State of Idaho Transportation Department, the Idaho Transportation Director, Officers, Agents and Employees of the State of Idaho as Additional Insureds, or furnish an additional endorsement naming the same as Additional Insureds, but only with respect to the Contractor's activities to be performed under this Contract.

2. Subsection **00170.72 Indemnity/Hold Harmless** - The paragraph that begins with the words "In connection with the..." is replaced with the following:

In connection with the work to be performed in the State of Idaho under this contract, it shall be understood that the "indemnification and hold harmless" requirements of this subsection extend to the State of Idaho, the State of Idaho Transportation Department, the Idaho Transportation Director, Officers, Agents and Employees of the State of Idaho.

3. Subsection **00810.90 Payment** – Add the following to the list of Pay Items:

| <b>Pay Item</b>           | <b>Unit of Measurement</b> |
|---------------------------|----------------------------|
| (k) Extra for Blocks      | Each                       |
| (l) Extra for Steel Posts | Each                       |

4. Subsection 00810.90 Payment - The paragraph that begins with the words "Item (i) includes only..." is replaced with the following:

Items (i), (k) and (l) include only installing posts or blocks when upgrading, adjusting or repairing existing installations.

**The following changes are made to the Project Plans:**

1. Plan sheets 1A and 2B-2 are replaced with revised plan sheets 1A and 2B-2.

These changes will be included in the Contract for this Project. It is understood that your Bid will be submitted accordingly.

Make copies of the new Bid Sheets to replace the Special Provisions Bid Schedule Sheets.
