To: RECIPIENTS OF REQUEST FOR CONTRACTOR
SPECIAL PREQUALIFICATION PACKET

From: Vera Wicks, Operations and Policy Analyst
ODOT Procurement Office – Construction Contracting Section

Subject: **ADDENDUM NO. 1**
OR234: Rogue River Bridge (Rock Point) Rehabilitation
Sams Valley Highway, Key # 16360
Jackson County, Oregon
Special Prequalification

This addendum is to inform all plan holders for the subject project of changes made to the Request for Contractor Special Prequalification documents. Form 1, Prime Contractor Experience changes the value of the qualifying projects submitted for experience to have a completion value of \$3,500,000. Appropriate changes have been made to Section 5.8 and the revised Form 2 is appended.

1) **Section 5.8 Prime Contractor Experience** – Replace with the following:

Prime Contractor Experience: To qualify, the Prime Contractor must have successfully performed a minimum of one Project, including historic bridge rehabilitation with a **\$3,500,000 (three million five hundred thousand dollar)** minimum contract price at completion. The date that the referenced projects were accepted by the owner must be no earlier than January 1991.

You may view addenda for the Request for Special Prequalification at the following website:

<http://www.oregon.gov/ODOT/CS/CONSTRUCTION/contractorplans/2009/05-2009.shtml#Spec Pre Qual May 21>

If you have questions, please call 503.986.6917.

Initials: _____

Form 1 – Prime Contractor Experience

If the information that is being requested is not applicable (N/A) to the Project, fill the appropriate blank by entering N/A and explain why Contractor believes it is not applicable. Filling the blank with "see attached", "can be provided", "none" or something other than N/A will not be accepted. (Note: Material that is difficult, but not impossible, to obtain will not be considered an acceptable reason for using N/A. N/A is only acceptable when the information requested is truly NOT APPLICABLE.)
