Contract Number 14130, Key Number 16398
Wilson River & Sunset Highways
Tillamook & Washington Counties
Structures Project
Bid Letting Date: October 29, 2009
LETTER OF CLARIFICATION #1

The following information is provided in response to questions or issues of significance that have been raised by one or more prospective bidders. This is for information only and there are no addenda that will result from this information.

Item/Question: 00290.20(j) Lead-containing Materials - Bridge 02367 has paint on the structure that contains lead. There were no painted surfaces on the Bridges 01869A or 01872A structures. Are the test results contained in the Hazardous Material Data Report available for viewing?

- **ODOT Clarification/Response** – *The Hazardous Materials Report for Bridge 02367 can be found on the ODOT ftp site located at <ftp://ftp.odot.state.or.us/obdp/Bundle%20512/>.*

Item/Question: 00290.32 Noise Control - Are copies of the Washington County Code Chapter 14.12.370 which describes noise control regulations available for viewing?

- **ODOT Clarification/Response** – *Washington County Code, Chapter 14.12.370 can be found on the internet at the following link:
<http://washtech.co.washington.or.us/caomeetingarchive/agendas/agenda08/ag032508/5aexh.pdf>.*

*Chapter 14.12.370, item no. 7, also references the Washington County Code, Chapter 8.24 Noise Control found at the following link:
<http://www.co.washington.or.us/code/>*

Item/Question: 00536.02 Plans - Are plans of the existing structures available for viewing?

- **ODOT Clarification/Response** – *As-Built plans of the existing structures for this project can be found on the ODOT ftp site located at <ftp://ftp.odot.state.or.us/obdp/Bundle%20512/>.*
