#### The following changes are made to the Project Special Provisions:

1. Subsection **00965.11 - Materials for Surveillance Cameras** - Add the following to the end of the subsection:

Provide junction boxes "J-1" and "J-2" in accordance with the specifications for National Electrical Manufacturers Association (NEMA) 4X. Sizing shall be determined by Contractor.

2. Subsection **00965.40 - General** - Replace the second bulleted item after the paragraph that begins "Install cable terminations..." with the following bullet:

- Multi-mode fiber optic cable with two strands

These changes will be included in the Contract for this Project. It is understood that your Bid will be submitted accordingly.
