Columbia River Highway
Multnomah County
Grading, Drainage, Structures, Paving, Signing,
Illumination & Roadside Development Project
(Bids to be opened and read February 18, 2010)

Addenda No. 11

The following change is made to the Project Special Provisions:

1. Subsection 00170.70(a) Insurance Coverages - The following paragraph and bullet are added to the end of this subsection:

Add the following bullet to the end of this subsection:

- If the Agency determines that Contingent Flood Liability Coverage is required, the Contractor shall provide Contingent Flood Liability Coverage and the Agency will reimburse the Contractor for the Contingent Flood Liability Coverage premiums. Markup on the premiums will be limited to 5%.

2. Subsection 00170.70(g) Builders' Risk - This subsection is replaced with the following subsection:

00170.70(g) Builders' Risk – The Contractor shall obtain, at its expense, and keep in effect during the term of the Contract, Builders' Risk insurance on all risks of direct physical loss basis, including, without limitation, earthquake and flood damage, for an amount equal to \$8,000,000. Any deductible shall not exceed \$50,000 for each loss, except that the earthquake and flood deductible shall not exceed 5% of each loss or \$50,000, whichever is

greater. The policy shall include as loss payee the State of Oregon, the Department of Transportation, the Contractor and its subcontractors as their interest may appear.

Provide a Builders' Risk Installation Floater covering structural steel for trapezoidal steel box girders stored off-site, while in transit, and installed for completion of the Work. The minimum amount of coverage carried shall be equal to \$1,500,000. The policy shall include as loss payee the State of Oregon, the Department of Transportation, the Contractor and its subcontractors as their interest may appear.

These changes will be included in the Contract for this Project. It is understood that your Bid will be submitted accordingly.
