## NOTICE

### OREGON MOTOR VEHICLE FUEL DEALERS

Effective July 1, 2000, the fuel tax rate for AvGas increases from **six cents to nine cents/gallon** (ORS 319.020 (2)). Revised tax forms including the nine cent rate will be mailed in late July or early August. The July report due August 25, 2000 will be the first report reflecting the nine cent tax rate.

The tax rate for jet fuel remains at one cent/gallon.

Due to the defeat of Ballot Measure 82 in the May 16 primary election, Oregon's motor fuel tax rates remain at 24 cents/gallon.

The Fuels Tax Group can be reached at the address and phone numbers shown above if you have questions or need further information.
