The Oregon Department of Transportation does not believe this rulemaking constitutes an agency program that affects land use. If it does, it most likely represents a land use program category already identified under ODOT's certified State Agency Coordination Program and is included in procedures adopted under ODOT's State Agency Coordination Rule (OAR Chapter 731, Division 15).

A copy of the draft rules is found on www.oregon.gov/odot/cs/ftg. Please contact Fuels Tax Group if you need a copy of the draft rules mailed to you. If you believe these proposed rules will have an economic effect on you or your customers, please send your comments by Wednesday, August 6, 2008 to:
