

## **I-5: Sutherlin to Roseburg Project**

This new combined project consists of the following individual projects. The overall project limits will be approximately M.P. 125.00 to M.P 139.00.

1. Sutherlin Interchange – KN09229 ~ MOD  
*(Replace the O-Xing OR138 bridge and make it wider and longer. We want to accommodate up to 5 lanes of traffic underneath and look at additional width to accommodate a future SB loop ramp. The project will also realign the NB on and off ramps and install a signal. The final stage of this project will be to build a new connection road between Westwood St and Myrtle St to allow the closure of Westwood to OR138.)*
2. Sutherlin to Garden Valley – KN10836 ~ IM  
*(Address all interstate maintenance issues between M.P.125.38 and M.P.136.51. There will be a No Work zone between M.P. 127.25 and M.P. 130.25. This portion will address typical IM issues like pavement, guard rail, drainage, pavement markings, etc.)*
3. I-5: NB O-Xing Wilbur-Umpqua Road – KN12902 ~ OTIA II  
*(Replace this structure)*
4. I-5: Sutherlin Creek & County Road (NB&SB) – KN12744 ~ OTIA II
