Renewal Driver Licenses and Identification Cards

(1) The Driver and Motor Vehicle Services Division of the Department of Transportation (DMV) will renew the driver license of a person satisfying the requirements set forth in ORS 807.150.

(2) An applicant for the renewal of a driver license or identification card must provide DMV a verifiable SSN or Statement of No Social Security Number as described in OAR 735-062-0005.

(3) An applicant for the renewal of a driver license or identification card must present to DMV proof of identity and date of birth as set forth in OAR 735-062-0020 or 735-062-0021.

(4) An applicant for the renewal of a driver license or identification card that includes a change of residence address must present to DMV one of the proofs of residence address listed in OAR 735-062-0030 that shows the person's current residence address. (Current residence address is the residence address to be included on the license or identification card to be issued.)

(5) DMV may renew an unexpired driver license or identification card up to four months prior to the expiration date.

(6) Notwithstanding section (5) of this rule, DMV may renew an unexpired Oregon driver license or identification card of a person who is a member of the Oregon National Guard or a military reservist being deployed, up to 14 months prior to the expiration date.

(7) If a driver license has been expired more than one year, the applicant must re-apply for an original driver license and meet the requirements set forth in OAR 735-062-0000.

(8) An applicant for a renewal of a commercial driver license with a hazardous materials endorsement must retake and pass the hazardous materials knowledge test and meet the requirements set forth in OAR 735-062-0190 to retain the hazardous materials endorsement on the commercial driver license.

(9) An applicant for a renewal of a commercial driver license must meet the requirements set forth in OAR 735-074-0290.

(10) Before processing a driver license renewal, DMV will make an inquiry to the National Driver Register/Problem Driver Pointer System (NDR/PDPS) or the Commercial Driver License Information System (CDLIS), or both, to determine if the applicant's driving privileges are suspended, revoked, canceled or otherwise not valid in any other jurisdiction. Before processing a commercial driver license (CDL) renewal, DMV will make an inquiry to CDLIS to determine if the applicant has been issued a CDL in any other jurisdiction.

(11) If the applicant's driving privileges are suspended, revoked, canceled or otherwise not valid in any other jurisdiction, the applicant may not renew an Oregon driver license until the applicant submits a clearance letter that complies with OAR 735-062-0160 and shows the applicant's driving privileges are reinstated or otherwise valid in the other jurisdiction.

(12) Notwithstanding section (11) of this rule, DMV will renew the driving privileges of an applicant whose driving privileges are suspended, revoked, canceled or otherwise not valid in another jurisdiction if the only remaining reinstatement requirement in the other jurisdiction is proof of future financial responsibility.

(13) DMV will not renew an Oregon driver license or permit if the applicant has a current, valid Oregon identification card. To become eligible, the person must surrender the Oregon identification card before DMV will renew the Oregon driver license or permit. If the person's identification card is lost or the person no longer has the identification card in his or her possession, the person must provide a statement attesting to this fact.
