

735-062-0090

Renewal Driver Licenses and Identification Cards

- (1) DMV will renew the driver license of a person who satisfies the requirements set forth in ORS 807.150.
- (2) An applicant for the renewal of a driver license or identification card must:
 - (a) Provide a verifiable SSN or proof that the person is not eligible for a SSN as provided in OAR 735-062-0005(2);
 - (b) Provide proof of legal presence as provided in OAR 735-062-0015;
 - (c) Submit to the collection of biometric data for the purpose of establishing identity as provided in ORS 807.024 and 735-062-0016; and
 - (d) Provide proof of identity and date of birth as provided in OAR 735-062-0020.
- (3) An applicant for the renewal of a driver license or identification card that includes a change of residence address must present to DMV one of the proofs of residence address listed in OAR 735-062-0030 that shows the person's current residence address. (Current residence address is the residence address to be included on the license or identification card to be issued.)
- (4) DMV may renew an unexpired driver license or identification card up to 12 months prior to the expiration date.
- (5) If a driver license has been expired more than one year, the applicant must re-apply for an original driver license and meet the requirements set forth in OAR 735-062-0007.
- (6) Before processing a driver license renewal, DMV will make an inquiry to the National Driver Register/Problem Driver Pointer System (NDR/PDPS) and the Commercial Driver License Information System (CDLIS) to determine if the applicant's driving privileges are suspended, revoked, canceled or otherwise not valid in any other jurisdiction.
- (7) If the applicant's driving privileges are suspended, revoked, canceled or otherwise not valid in any other jurisdiction, the applicant may not renew an Oregon driver license until the applicant submits a clearance letter that complies with OAR 735-062-0160 or a DMV inquiry to NDR/PDPS and CDLIS shows the applicant's driving privileges are reinstated or otherwise valid in the other jurisdiction.
- (8) Notwithstanding section (7) of this rule, DMV will renew the driving privileges of an applicant whose driving privileges are suspended, revoked, canceled or otherwise not valid in another jurisdiction if the only remaining reinstatement requirement in the other jurisdiction is proof of future financial responsibility.
- (9) DMV will not renew an Oregon driver license or permit if the applicant has a current, valid Oregon identification card. To become eligible, the person must surrender the Oregon identification card before DMV will renew the Oregon driver license or permit. If the person's identification card is lost or the person no longer has the identification card in his or her possession, the person must provide a statement attesting to this fact.
- (10) Notwithstanding subsection (2)(b) of this rule, DMV will renew a limited term driver license, limited term driver permit or limited term identification card to an applicant who otherwise qualifies for renewal under this rule and has provided proof of temporary legal presence in the United States as described in OAR 735-062-0015(4) that has been extended or is still in effect.
