

Chapter I

Security Interest Perfection

Introduction

Security interests are the only types of liens that may be recorded on Oregon titles and Oregon title records.

Perfection creates a public record so persons such as the debtor's creditors have a means of knowing of the existence of a security interest.

Timely perfection may give the security interest holder certain priority rights when there are disputes or the debtor files for bankruptcy. This chapter does not deal with these or similar issues such as who has priority and what is considered timely perfection. THESE ISSUES DO NOT FALL WITHIN THE JURISDICTION OF DMV. THIS CHAPTER ONLY ADDRESSES PROCEDURAL PROCESSES BY WHICH SECURITY INTERESTS MAY BE RECORDED WITH DMV.

Oregon law provides for perfection of security interests in vehicles by making application for notation of a security interest on the Oregon title within 30 days of the date of sale. This only applies to vehicles that are subject to title, and does not include interests in vehicles that are part of a dealer's inventory. Perfection of security interest is covered in more detail under [ORS 803.097](#), and Oregon Administrative Rules ([OAR 735-020-0020 through 735-020-0030](#)).

To perfect a security interest in a timely manner, an application must be received by DMV within 30 days of the date of sale. Requirements for perfection are met on the date DMV receives the application if the application includes:

- VIN;
- Name of each owner;
- Name and address of the security interest holder;
- The primary ownership document (MCO, title, etc.). For vehicles built in multiple stages, the ownership documents must cover each stage of manufacture.

In most cases, you should use an Oregon title application when making application for perfection. If you use some other written form (such as a letter stating the purpose for submitting the documents or a TOD), you need to state that you are submitting the information and documents for the purpose of perfecting a security interest.

The "primary ownership document" is the document that must be submitted as the ownership document. This is the main ownership document that is required to obtain title. In most cases, the primary ownership document is the previous title for a used vehicle or the MCO for a new vehicle.

Other documents may be considered the primary ownership document in some cases. For example, if an Oregon title is lost, a properly completed application for replacement title and transfer is acceptable if the vehicle is NOT subject to federal odometer requirements. If a vehicle is sold under some type of operation of law, then lien foreclosure papers, a

A security interest is defined under ORS 801.465 to mean "...an interest in a vehicle reserved or created by agreement and which secures payment or performance of an obligation as more particularly defined by ORS 71.2010 (37)"

sheriff's bill of sale or a court order may be acceptable as the primary ownership document. When the primary ownership document is available, the only way to perfect interest is by submitting that document along with the other requirements for perfection within 30 days of the date of sale. When these requirements for perfection are submitted:

- All requirements and fees for title should be submitted with the application, or
- If you have the requirements for perfection but are missing the requirements for title (i.e., missing releases, signatures, powers of attorney, and odometer disclosure), all requirements and fees available should be submitted with the application for perfection. DMV will hold the incomplete application until title requirements are met. When you submit the additional requirements, you need to indicate that documents were previously submitted, when and where they were submitted and the name(s) on the application.

If the primary ownership document is not available, application for perfection may still be made using a Transitional Ownership Document (TOD) which **MUST** be accompanied by a \$13 fee. Following is more information about the TOD.

Purpose/limitations on use

The use of the TOD is restricted to those situations where the primary ownership document is not available to submit to DMV. The TOD may only be used when the selling dealer, new security interest holder or their agent:

- Does not have possession of the primary ownership document, and
- To the best of their knowledge will not have possession of the document within 30 calendar days of the date of sale, or if no sale, within 30 calendar days from the date of the security agreement or contract.

The TOD must be received within 30 days from the date of sale, or if no sale, the date of the security agreement or contract. To determine the 30 days, exclude the first day (i.e., date of sale) and count each calendar day thereafter. If the 30th day falls on a weekend, holiday or mandatory closure day, it is not counted. The last date the TOD will be acceptable is bumped to the next DMV working day.

A properly completed TOD, accompanied by the \$13 fee, meets all the requirements for perfection. The form contains space for the required information.

The TOD is acceptable as an "ownership document" on a transitional basis for the purposes of perfection of a security interest while the primary ownership document is being obtained. Use of a TOD will allow perfection of a security interest to occur sooner, since you will not have to wait until the primary ownership document is available. The TOD **MUST** be accompanied by a \$13 fee or will otherwise be invalid.

Submission of primary ownership document required

When a TOD is used to determine the date of security interest perfection, the primary ownership document must be received by DMV within **90** calendar days from the date of sale, or if no sale, within 90 calendar days from the date of the security agreement or contract. Although DMV allows 90 days to submit the primary ownership document, after 30 days from the date of sale or security agreement/contract the transaction is still subject

to late presentation fees (does not apply if an Oregon dealer submits the transaction). To determine the 90-day period, exclude the first day (i.e., day of sale) and count each calendar day thereafter.

If the 90th day falls on a weekend, holiday or mandatory closure day, the last date the TOD may be used to determine date of security interest perfection is bumped to the next DMV working day. If the primary ownership document is not received within 90 days, the TOD is invalidated and the TOD fee WILL NOT be refunded. If the TOD is invalid, the date used to determine security interest perfection is the date the primary ownership document is received by DMV.

Date requirements for perfection are considered met

Requirements for perfection shall be considered to have been met on the date DMV receives the TOD, unless DMV invalidates the TOD. A TOD is considered received by DMV when it is:

- Submitted to any local DMV office.
- Mailed (date received by DMV will be used) to DMV headquarters, Attention: TOD Desk, 1905 Lana Avenue N. E., Salem, Oregon 97314-2252.
- Submitted to DMV by facsimile machine (FAX). The FAX telephone number is (503) 945-5143. In order to submit a TOD by FAX, the person or firm MUST have a TOD billing account with DMV so the fees can be billed to that account. For information in obtaining a TOD Billing Account, call ODOT Finance at (503) 986-3960.

TOD may be invalidated

All owners on a TOD and Application for Title must be identical or the TOD will be invalidated. A TOD may also be invalidated when it is determined that the TOD does not contain all required information, if it contains a false certification, if the person shown *on* the TOD does not have a security interest or if the TOD is received by DMV more than 30 days from the date of the sale.

A TOD will be invalidated if the primary ownership document is not received within 90 days of the date of sale.

The TOD will also be invalidated if it is received without the TOD fee or if it is FAXED and the person or firm does not have a TOD billing account.

When submitting a TOD by FAX, write your TOD Billing Account Number on the TOD. If you have a record inquiry account with DMV, it cannot be used for this purpose.

A monthly invoice will be sent to each TOD account holder. If the TOD Billing Account Number written on the TOD is invalid or delinquent, the TOD will be invalidated. The only billing allowed against the TOD Billing Account will be TOD filing fees.

When a TOD is invalidated, any perfection based on the TOD is also invalidated. The fee **WILL NOT** be refunded for an invalidated TOD. If the TOD is invalidated, requirements for perfection will be considered met on the date DMV first receives the primary ownership document and application for notation, (i.e., title application containing name of each owner, name, and address of security interest holder and VIN).

TOD form

The TOD is a three-page form (Form 735-227). The first page is the TOD. The second page (yellow) may be submitted with the TOD if you want a receipt. If you would like the second page mailed back to you, please include your return address in the space provided.

The third page (pink) is to be submitted along with the primary ownership document when it is submitted. The third page may also be used to withdraw a TOD. (TOD withdrawals are discussed later in this chapter.)

The TOD form contains more detailed instructions on its use.

DMV will accept a reproduction of a TOD form. If you use a copy, make sure you copy the first (top) page, not the receipt or withdrawal page.

Accuracy in completing form important

Accuracy in completing TOD forms is important. Perfection involves creating a public record. If the information required is inaccurate, this could invalidate the perfection.

Persons completing TODs should initial any changes or alterations made to the information before submitting the TOD to DMV. If this is not done, the TOD will be invalidated or rejected by DMV. Changes or alterations to TODs will not be accepted once DMV has marked a TOD as received. If you have a need to change information on a form after that date (and there is still time to get it to DMV within the 30-day time limitation), you may submit another TOD along with another \$13 fee and withdraw the first TOD submitted. However, if you submit another TOD, the date used for determining perfection will be the date the second TOD is received.

Submitting a TOD

If you determine you need to use a TOD, complete the form and submit it to DMV with a fee of \$13.

TODs, and any transactions for which a TOD has been submitted, should be kept separate from any other title and registration applications you may be submitting. One check should be submitted for TODs and one check for any other title and registration documents.

If a number of TODs are submitted and the check contains insufficient fees to cover all the TODs received, the fees will be applied to as many TODs as possible and all others will be invalidated. DMV will apply the fees to the documents in order of processing and will not try to determine which TOD is more important.

If the TODs are submitted with other documents and the check contains insufficient fees to cover all TODs and all documents, the money will be applied to the TODs first and as many documents as possible thereafter. Some other transaction(s) may have insufficient fees.

If you need a receipt, follow the instructions for completion and submission of the receipt

To set up a TOD account for submitting TODs by FAX, contact the ODOT Finance Section at (503) 986-3960.

copy, and send this with the TOD. If you are sending the TOD by FAX and need a receipt, write "receipt requested" at the very top of the TOD form. DO NOT send the receipt copy (part 2) of the TOD form by FAX.

Keep the third part of the TOD form until you are ready to submit the primary ownership document, or need to withdraw the TOD.

When the primary ownership document is available, submit that document to DMV along with the third part of the TOD form. (You will need to place the third copy on top of the transaction.) You need to submit Page 3 so DMV can connect the primary ownership document with the TOD. However, when you submit this part of the TOD, DO NOT COMPLETE OR SIGN THE WITHDRAWAL PORTION **unless** you intend to withdraw the TOD that was previously submitted.

When you submit Page 3 of the TOD with the primary ownership document, you should also submit any necessary title or registration requirements and fees. DMV will accept the primary ownership document without all the requirements for the purpose of perfection.

TOD date charts are included in this Chapter and are also on the DMV Web site at <http://www.oregon.gov/ODOT/DMV/dealers/index.shtml>.

However, the title will not be issued until all title requirements are met.

Remember, to perfect interest based on the TOD, DMV must receive the primary ownership document within 90 calendar days of the date of sale, or if no sale, within 90 calendar days of the date of the security agreement or contract.

When submitting the primary ownership document where a TOD has previously been submitted, keep that transaction separate from other title and registration transactions you may be submitting, and TODs not previously submitted. If you are submitting more than one primary ownership document for TODs that have been submitted, these documents may be grouped together.

It is important that the primary ownership document be joined with the TOD as soon as possible. This may not occur if such documents are not kept separate from routine title and registration business or if you do not provide the third part of the TOD so the documents can be connected.

Withdrawal of TOD

The third part of the TOD form may be used for withdrawing a TOD that has been submitted to DMV. There are instructions on the form. Withdrawal notices must be in writing. The notice may be submitted to a local DMV office or mailed to DMV headquarters. Withdrawal notices may be sent by facsimile machine (FAX) when they are not required to be attached to title transactions. When the mail or FAX is used for sending a withdrawal, use the same mailing address or FAX telephone number as used for sending a TOD.

There is NO REFUND of the TOD fee when a TOD is withdrawn.

DO NOT SIGN Page 3 of the TOD unless you intend to withdraw the previously submitted TOD.

DMV TITLE AND REGISTRATION HANDBOOK
Chapter I: Security Interest Perfection

There are certain situations under which you **must** submit a withdrawal notice:

- A second TOD for the same vehicle may be submitted under certain circumstances such as, the first one received was incorrect or the vehicle has been sold since the first TOD was submitted. If a second TOD is being submitted for the same vehicle, a withdrawal notice must be submitted for the first TOD. This should accompany the second TOD, and may be submitted to a local DMV office, or mailed or sent by FAX to DMV headquarters.
- If a title will be applied for within 90 calendar days from the date of sale or, if no sale, the date of security agreement or contract (as reflected on the TOD submitted) and the interests shown on the title application conflict with the ones shown on the TOD, the security interest holder or person who submitted the TOD must submit a withdrawal notice. An example is where the TOD reflects a different registered owner than what will be shown on the application for title.
- The title could potentially be applied for by someone else within the 90 day time period, such as where the primary ownership documents have been released to a third party (i.e., a new buyer).

When submitting the title transaction to DMV, the withdrawal notice should be attached to that transaction. Keep the title transaction separate from other title and registration transactions that do not involve TODs.

If the primary ownership documents have been released to a third party, the security interest holder or person who submitted the TOD should send the withdrawal notice directly to DMV (i.e., local office, mail, or FAX).
