

## **Reinstatement Requirements**

- Submit a Certificate of Vision form from a vision specialist showing that your vision meets DMV's minimum standards.
- After you have submitted the Certification of Vision form, you may request approval to test by contacting the Driver Safety Unit at (503) 945-5083.
- If you are granted approval to test you must pass DMV's knowledge and drive test.

*Note: The Certificate of Vision form can be found on DMV's website under Forms & Publications.*
