(8) A declaration may authorize a vehicle that would otherwise be required to be registered in one jurisdiction to be registered in another jurisdiction without losing any benefit, exemption or privilege under the declaration if the vehicle is operated from a base located in the other jurisdiction.

802.530 Authority of department for reciprocal agreements concerning traffic offenses; permitted provisions; fees; limitations; rules; report. The Department of Transportation is authorized to enter into bilateral or multilateral reciprocal agreements with other jurisdictions to provide mutual assistance in the disposition of traffic offenses committed by residents of one jurisdiction while in another jurisdiction. (1) An agreement may provide for the sharing of information between and among jurisdictions concerning driving records, vehicle registration records and records concerning the granting, denial, revocation or suspension of driving privileges.

(2) An agreement may provide that a jurisdiction will suspend the driving privileges of a resident of the jurisdiction if the resident does not comply with the requirements and responsibilities created by citation for or conviction of a traffic offense in another jurisdiction.

(3) An agreement may provide that a jurisdiction will refuse to issue or renew a driver license or permit or to issue a duplicate or replacement license or permit for a resident of the jurisdiction if the resident does not comply with the requirements and responsibilities created by citation for or conviction of a traffic offense in another jurisdiction.

(4) An agreement may be limited to certain traffic offenses.

(5) An agreement may provide for the establishment of fees for and collection of fees from persons cited for traffic offenses or convicted of traffic offenses who are subject to the terms of the agreement. Any agency of this state that participates in a program established by an agreement authorized by this section is granted authority to establish fees for and collect fees from persons subject to an agreement. Fees established for purposes of this subsection must be established by rule. No fee established for purposes of this subsection may exceed an amount necessary to recover the actual cost incurred by participation in the program established by the agreement.

(6) An agreement may provide that residents of one jurisdiction who are issued citations for traffic offenses in another jurisdiction will be released on recognizance without requirement of security deposit or bail. Nothing in this subsection authorizes an agreement that prohibits a court from releasing on security release, as

defined in ORS 135.230, a person charged with a traffic crime.

(7) An agreement may provide that one jurisdiction will act as agent for another jurisdiction in the disposition of traffic offenses committed in the other jurisdiction. No provision described under this subsection may be established that requires the participation of courts of this state unless the Oregon Supreme Court establishes rules under ORS 1.002 to provide procedures for court participation.

(8) No agreement may be established under this section to provide for assistance in dealing with:

- (a) Offenses other than traffic offenses.
- (b) Parking offenses.

(10) An agreement may include any other provision that the department determines will assist in the disposition of traffic offenses committed by residents of one jurisdiction while in another jurisdiction or will increase the convenience for residents of this state in complying with requirements and responsibilities created by citation for or conviction of a traffic offense in another jurisdiction.

(11) The department may adopt rules necessary to implement any agreement established under this section.

(12) The department must submit a report on any agreement proposed under this section to the presiding officers of each house of the Oregon Legislative Assembly at least 30 days before the agreement may take effect. An agreement described under this section cannot take effect in this state unless the department complies with this subsection. [1985 c.396 §2; 1993 c.102 §1; 1999 c.1051 §85]

802.540 Driver License Compact. The Driver License Compact is enacted into law and entered into on behalf of this state with all other states legally joining therein in a form substantially as follows:

ARTICLE I
FINDINGS AND DECLARATION OF POLICY

(a) The party states find that:

(1) The safety of their streets and highways is materially affected by the degree of compliance with state laws and local ordinances relating to the operation of motor vehicles.

(2) Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.

(3) The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

(b) It is the policy of each of the party states to:

(1) Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.

(2) Make the reciprocal recognition of licenses to drive and eligibility therefor more just and equitable by considering the overall compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

ARTICLE II
DEFINITIONS

As used in this compact:

(a) "State" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

(b) "Home state" means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.

(c) "Conviction" means a conviction of any offense related to the use or operation of a motor vehicle which is prohibited by state law, municipal ordinance or administrative rule or regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by a person charged with having committed any such offense, and which conviction or forfeiture is required to be reported to the licensing authority.

ARTICLE III
REPORTS OF CONVICTION

The licensing authority of a party state shall report each conviction of a person from another party state occurring within its jurisdiction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond or other security; and shall include any special findings made in connection therewith.

ARTICLE IV
EFFECT OF CONVICTION

(a) The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:

(1) Manslaughter or negligent homicide resulting from the operation of a motor vehicle;

(2) Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug or a controlled substance, or under the influence of any other drug or substance to a degree which renders the driver incapable of safely driving a motor vehicle;

(3) Any felony in the commission of which a motor vehicle is used;

(4) Failure to stop and render aid in the event of a motor vehicle accident resulting in the death or personal injury of another.

(b) As to other convictions, reported pursuant to Article III, the licensing authority in the home state shall give such effect to the conduct as is provided by the laws of the home state.

(c) If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subdivision (a) of this Article, such party state shall construe the denominations and descriptions appearing in subdivision (a) hereof as being applicable to and identifying those offenses or violations of a substantially similar nature and the laws of such party state shall contain such provisions as may be necessary to insure that full force and effect is given to this Article.

ARTICLE V
APPLICATIONS FOR NEW LICENSES

Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:

(1) The applicant has held such a license, but the same has been suspended by reason, in whole or in part, of a violation and if such suspension period has not terminated.

(2) The applicant has held such a license, but the same has been revoked by reason, in whole or in part, of a violation and if such revocation has not terminated, except that after

the expiration of one year from the date the license was revoked, such person may make application for a new license if permitted by law. The licensing authority may refuse to issue a license to any such applicant if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.

(3) The applicant is the holder of a license to drive issued by another party state and currently in force unless the applicant surrenders such license.

ARTICLE VI
APPLICABILITY OF OTHER LAWS

Except as expressly required by provisions of this compact, nothing contained herein shall be construed to affect the right of any party state to apply any of its other laws relating to licenses to drive to any person or circumstance, nor to invalidate or prevent any driver license agreement or other cooperative arrangement between a party state and a nonparty state.

ARTICLE VII
COMPACT ADMINISTRATOR AND
INTERCHANGE OF INFORMATION

(a) The head of the licensing authority of each party state shall be the administrator of this compact for his state. The administrators, acting jointly, shall have the power to formulate all necessary and proper procedures for the exchange of information under this compact.

(b) The administrator of each party state shall furnish to the administrator of each other party state any information or documents reasonably necessary to facilitate the administration of this compact.

ARTICLE VIII
ENTRY INTO FORCE AND WITHDRAWAL

(a) This compact shall enter into force and become effective as to any state when it has enacted the same into law.

(b) Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six months after the executive head of the withdrawing state has given notice of the withdrawal to the executive heads of all other party states. No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the compact of any report of conviction occurring prior to the withdrawal.

ARTICLE IX
CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

[1983 c.338 §168]

(a) The expanding regional economy depends on expanding transportation capacity;

(b) Highway transportation is the major mode for movement of people and goods in the western states;

(d) A number of western states, already having adopted substantially the 1964 Bureau of Public Roads recommended vehicle size and weight standards, still find current federal limits more restrictive; and

(e) The participating jurisdictions are most capable of developing vehicle size and weight standards most appropriate for the regional economy and transportation requirements, consistent with and in recognition of principles of highway safety.

SECTION 2. Purposes. The purposes of this agreement are to:

(a) Adhere to the principle that each participating jurisdiction should have the freedom to develop vehicle size and weight standards that it determines to be most appropriate to its economy and highway system.

(c) Promote uniformity among participating jurisdictions in vehicle size and weight standards on the basis of the objectives set forth in this agreement.

(d) Secure uniformity insofar as possible, of administrative procedures in the enforcement of recommended vehicle size and weight standards.

(e) Provide means for the encouragement and utilization of research which will facilitate the achievement of the foregoing purposes, with due regard for the findings set forth in section 1 of this article.

(f) Facilitate communication among legislators, state transportation administrators and commercial industry representatives in addressing the emerging highway transportation issues in participating jurisdictions.

ARTICLE II

Results of all such actions shall be placed in writing.
