

Changes in the June 2026 Handbook revision are as follows:

Cover Page – This page was updated to show the revision date of 06/2026.

Chapter A – Corrected information on who must sign an Application for Replacement/Duplicate Title (Form 735-515).

Chapter B – Added clarification on existing Oregon plate field on the Application for Title and Registration (Form 735-226). Revised instructions for listing vehicles' motive power on an application. Removed duplicated information in the instructions for completing an application.

Chapter K – Moved information on renewing vehicle registration from Chapter R to this chapter.

Chapter M – Added temporary insert reflecting increase in Snowmobile registration fees per SB 1565.

Chapter P – Updated information on local government location approval requirements per SB 1544.

Chapter R – Minor changes made throughout for clarity. Removed section on renewing vehicle registration and moved to Chapter K.
