OTHER FORMS RELATED TO DISABLED PERSONS' PARKING PERMITS

Form (735-265PP) can be accessed by contacting the Driver Issuance Unit at (503) 945-5114, writing to DMV Driver Issuance - Permits Clerk at 1905 Lana Ave NE, Salem OR 97314, or visiting a local field office.

Family Permit: For use by authorized individuals to apply for a disabled person parking permit in the form of a family permit for use on vehicles that are regularly used by a family that includes more than one person with a disability. To be eligible for issuance of a family parking permit for disabled persons, a licensed physician must certify that the family includes at least two persons with disabilities. The two persons must reside in the same household. The person completing this application **must** be an adult family member. If moving from an individual to a family permit, the individual permits will be invalid. Form (735-265FPP) can be accessed by contacting the Driver Issuance Unit at (503) 945-5114, writing to DMV Driver Issuance - Permits Clerk at 1905 Lana Ave NE, Salem OR 97314, or visiting a local field office.

Non-Photo Parking ID Card and Permit: If you qualify for a parking permit but do not have a valid driving privilege or ID card, you may be eligible for a non-photo parking ID card and parking permit. This parking ID card is issued to individuals who need a parking permit but are unable to go to a DMV field office because it would be impractical or harmful to the individual.

PARKING REGULATIONS

When parked, hang the disabled person parking permit from the rearview mirror. If the vehicle does not have a rearview mirror, place the permit on the dashboard. Remove permit from rearview mirror **before** driving your vehicle. If you have a golf cart or motorcycle and have applied for a parking decal, affix the decal to the back of the left rearview mirror. If such a display is not possible, the decal is to be affixed to the front fender of the vehicle so that the permit number and expiration are visible from the front of the vehicle.

The renewable, temporary or family disabled person parking permit allows the person with a disability, or another person while transporting the person with a disability to or from the parking location, to exercise the following parking privileges:

- Park in a public parking zone that has a limit of **more than 30 minutes**.*

 - Park in a public parking zone that has a limit of **more than 30 minutes** without being charged overtime penalties.*
- * Local parking authorities may allow these privileges for any disabled parking permit holder. Check with local authorities for regulations governing these fees.*
- Park in **any** space reserved for disabled parking and van accessible disabled parking.

A Program permit will allow the driver of a program's vehicle to:

- Park in a metered parking space for **3 hours or less** while persons with disabilities are getting into or out of the vehicle.
- Park in a public parking zone for **3 hours or less** while persons with disabilities are getting into or out of the vehicle.
- Park in any space reserved for disabled parking, **except for wheelchair user spaces**.

Parking privileges for all types of parking permits DO NOT apply to a zone where:

- Stopping, parking or standing of all vehicles is prohibited.
- Late evening or overnight parking is prohibited.
- Parking is reserved for special types of vehicles or activities.

Note: Disabled parking spaces with a van accessible sign attached should be used by persons that drive a van for transportation needs due to a disability or those that have a Wheelchair User permit.
