APTS	Advanced Public Transportation System
ATC	Advanced Transportation Controller
ATIS	Advanced Traveler Information System
ATMS	Advanced Traffic Management System
AVL	Automated Vehicle Location
AVSS	Advanced Vehicle Safety System
AWG	American Wire Gauge
BOEC	Bureau of Emergency Communications
bps	Bits Per Second
CAD	Computer Aided Dispatch
CC	Clackamas County
C-COM	Clackamas County Communications
CCTV	Closed Circuit Television
CIP	Capital Improvement Plan
CMAQ	Congestion Mitigation Air Quality
CO	Communications
COINS	Commercial Vehicle Operator Information Network System
COMET	COrridor ManagEment Team
ComNet	Communications and Networking Division
CPO	Community Planning Organization
CRC-TMA	Clackamas Regional Center Transportation Management Association
CTIC	Cooperative Telecommunications Infrastructure Committee
CV	Commercial Vehicle
CVISN	Commercial Vehicle Information Systems & Networks
CVO	Commercial Vehicle Operations
dB/km	Decibel per Kilometer
DTD	Department of Transportation and Development

EM	Emergency Management
EMC	Emergency Management Center
EOC	Emergency Operations Center
FHWA	Federal Highway Administration
FTE	Full-Time Equivalent Staff
GIS	Geographical Information System
GPS	Global Positioning System
H	High Priority
HAR	Highway Advisory Radio
HAZMAT	Hazardous Materials
HOV	High Occupancy Vehicle
Hz	Hertz
IGA	Intergovernmental Agreement
IP	Internet Protocol
IS	Information Services
ITS	Intelligent Transportation System
JPACT	Joint Policy Advisory Committee
L	Low Priority
LOCOM	Lake Oswego Communications
M	Medium Priority
Mbps	Mega Bits per Second
MC	Maintenance and Construction Management
MDT	Mobile Data Terminal
MHz	Megahertz
MM	Multimode
MTIP	Metropolitan Transportation Improvement Program
NE	Northeast
NHS	National Highway System
NW	Northwest
nm	Nanometer
OD	Outside Diameter
ODOT	Oregon Department of Transportation
O&M	Operations and Maintenance
OSM	On-Street Master
PDA	Personal Digital Assistant
PR	Park and Ride
PTM	Public Transportation Management
PTZ	Pan/Tilt/Zoom
RFP	Request For Proposal
RR	Railroad
RTC	Southwest Washington Regional Transportation Council
RTP	Regional Transportation Plan
RWIS	Road Weather Information Systems
SE	Southeast
SM	Single Mode

SMART	South Metro Area Rapid Transit
SONET	Synchronous Optical Network
SPIS	Safety Priority Index System
STP	Surface Transportation Program
SW	Southwest
SWARM	System Wide Adaptive Ramp Meter
STIP	Statewide Transportation Improvement Plan
TAC	Technical Advisory Committee
TC	Transit Center
TEA-21	Transportation Equity Act for the 21 <sup>st</sup> Century
TIF	Tax Increment Financing
TM	Traffic Management
TMC	Traffic Management Center
TMOC	Traffic Management Operations Center
TOC	Traffic Operations Center
TPAC	Transportation Policy Alternatives Committee
TransPort	Transportation Portland
TriMet	Tri-County Metropolitan Transportation District of Oregon
TSDC	Transportation System Development Charge
TVF&R	Tualatin Valley Fire & Rescue
US	United States
USGS	United States Geological Survey
VMS	Variable Message Sign
WAN	Wide Area Network
WSDOT	Washington State Department of Transportation
