Dear Mr. Stinson:

I support the Lake County Commissioners request for the Oregon Department of Transportation to rebuild the bridge south of Adel. The Bureau of Land Management is in full support of improvements to this road system which will enhance our operational capabilities, especially for safety and emergency response. Road improvements such as rebuilding the bridge south of Adel would benefit our wildfire suppression efforts, hazardous fuels treatments, and BLM road maintenance, as all of these endeavors require moving heavy equipment.

If you have any further questions please contact me at 541-947-2177.

Sincerely,

Thomas E. Rasmussen, Manager
Lakeview Resource Area
