

Design- Build Industry Open House

Thursday, July 12, 1 p.m. to 7 p.m.

Bundle 414: McKay Creek to Silvies Slough

A project to repair one bridge and replace seven bridges between Pendleton and Burns, Oregon.

**Lower risk!
Greater opportunity!**

ODOT is reducing common design-build hurdles by:

- Providing completed concept design plans and survey maps.
- Advancing the permit process to speed the project schedule.
- Advancing right of way negotiations and acquisition.

RFQ release: July 27

**for this \$25 million
to \$30 million project.**

Informal Open House

**ODOT Materials Lab
800 Airport Road S.E.
Salem, Oregon**
