

## **Activity 164 Transient Camp Cleanup**

### Description

Activity 164 involves work associated with cleaning up transient camps, including giving notice to persons camping on ODOT right of way, picking up and disposing of litter and assisting law enforcement to monitor transient camp areas.

### General Instructions

Use Activity 134 for general litter cleanup.

Use Activity 135 for any work by or for the Youth Litter Patrol or the Adopt-A-Highway programs.

Use Activity 139 for recycling work involved with litter, other than that done under Activity 135.

Where appropriate, separate litter items that are recyclable and handle accordingly. Refer to ODOT *Procedure ADM 06-13* for instruction on returnable beverage containers.

Refer to the ODOT *Safety and Health Manual* for handling and disposing of drug paraphernalia and other potentially hazardous items. Advisory ADV02001 provides guidance and advice on hazards associated with picking up and handling litter.

Refer to Oregon Administrative Rule (OAR) Chapter 734, Division 035 for providing notice of cleanup work and direction for storing of personal property collected.

### Equipment

Equipment may include:

- Vehicle to transport workers.
- Truck to haul gathered litter.

### Material

Material may include:

- Litter bags.
- Hazmat warning devices (flag or similar).
- Biohazard waste collector.
- Quicklime, as appropriate.

### Work Method

1. Identify area where cleanup is necessary.
2. Implement appropriate traffic control. Whenever possible, persons cleaning up transient camps should move in the direction facing adjacent traffic.
3. Cleanup area.

4. If hazardous material is encountered, mark its location as appropriate and properly collect it in suitable containers.
5. Remove traffic control.
6. Gather filled litter bags and dispose of at an appropriate location.
7. Collect personal property and store in accordance with OAR Chapter 734, Division 35.

Measurement of Accomplishment, Expenditure Account, and Charge Activity

Measurement is number of worker hours involved. Expenditure account type is Highway EA.

- Charge all work to TEAMS Activity 164.
