

Activity L18
Permanent Variable Message Signs

Perform TEAMS Activity L18 under MMS Activity 305 when work is requested by the Intelligent Transportation System (ITS) Unit of the Traffic Management Section of Technical Services Branch.

Activity L18 involves maintaining permanent variable message signs, including adjusting, cleaning, calibrating, or repairing equipment, computer (telephone) linkages, and connecting cables (fiber optic), and paying related power and telephone costs.

Work under this Activity is funded through the ITS Unit. Budget Maintenance personnel and other resources under Activity 305.

Perform maintenance as described in the maintenance schedule for each location or as needed.

Measurement of Accomplishment, Expenditure Account, Charge Activity

Measurement is number of worker hours involved. Expenditure account type is Highway EA-subjob 70x (x is the number of the installation). Charge all work to MMS Activity 305 and TEAMS Activity L18.
