

Activity F25 Equipment Transport

Description

Activity F25 involves transporting equipment to or from ODOT or commercial repair facilities for repair, modification, acquisition, or disposal.

General Information

Refer to discussion in the General Instructions section preceding Activity 014 in this section of the *Maintenance Guide* for additional information including environmental and traffic control recommendations and other important considerations.

Measurement of Accomplishment, Expenditure Account, Charge Activity

Measurement is number of worker hours involved. Expenditure account type is Equipment EA for the involved piece of equipment. Use a sub job appropriate for the crew performing the work.

- Charge all costs to Activity F25.
