

Franklin on-ramp to I-5 closed through Jan. 22

Submitted by Mark Furman on Tue, 2009-12-01 09:48

The on-ramp from Franklin Boulevard to southbound Interstate 5 will be closed through Jan. 22. It's part of work on the new interstate bridge over the Willamette River.

You can still get to the highway by continuing on Franklin to Glenwood Boulevard, then heading south and following the signs to the interstate.
