

## Glenn Jackson Bridge INTERSTATE 205 Joint Repairs

July 2010

Below is a list of the remaining scheduled weekend two-lane closures on the I-205 Glenn Jackson Bridge. The first weekend closure was April 30-May 3. There will be no work during the Labor Day holiday weekend.

\*\*This schedule is subject to change due to weather or other factors. (In addition to the weekend two-lane closures, the contractor closes two lanes during weeknights.)

Please check [www.tripcheck.com](http://www.tripcheck.com) or the project Web site: <http://www.oregon.gov/ODOT/HWY/REGION1/GlennJackson/> for the latest closure information.

During the weekend two-lane closures, the I-205 multi-use path will remain open to pedestrians and cyclists. The path may be narrowed at some points, so please use caution when approaching the work zones.

**Friday, July 30 – Monday, August 2** – two lanes closed southbound 9 p.m. Friday night, July 30, through 8 a.m. Saturday morning, July 31. No other lane closures are expected during the weekend. [bridge joint installation].

**Friday, August 6, 9 p.m. – Monday, August 9, 5 a.m.** – two lanes closed southbound for the full weekend (days and nights). During the closure of the two southbound lanes, the ramp connecting SR 14 to southbound I-205 will be closed. Motorists will be detoured on I-205 north to Mill Plain Road and back to I-205 southbound. [bridge joint installation].

**Friday, August 13 – Monday, August 16** – two lanes closed southbound during night work only. The closures will take place from 9 p.m. to 10 a.m. during each of the weekend nights through Monday morning at 5 a.m. [bridge joint installation].

**Friday, August 20, 9 p.m. – Monday, August 23, 5 a.m.** – two lanes closed southbound for the full weekend (days and nights). [bridge joint installation].

**Friday, August 27 – Monday, August 30** – two lanes closed southbound during night work only. The closures will take place from 9 p.m. to 10 a.m. during each of the weekend nights through Monday morning at 5 a.m. [bridge joint installation].

**Friday, Sept. 10, 9 p.m. – Monday, Sept. 13, 5 a.m.** – two lanes closed southbound for the full weekend (days and nights). [welding and bridge joint seal work]
