This Revised Environmental Assessment (Revised EA) for the I-5: Delta Park project (Victory Boulevard to Lombard Section) on Interstate 5 (I-5) in Portland, Multnomah County, completes the Environmental Assessment (EA) that was released in December 2005. The Revised EA is not intended to be read as a stand-alone document, but rather as a continuation of the EA. Information stated in the EA and not substantially changed since its release is therefore not repeated in the Revised EA.

Copies of the EA and Revised EA are available on request from:

Susan Whitney, Environmental Project Manager
Oregon Department of Transportation (ODOT)
Region 1
123 NW Flanders

Copies of the EA and Revised EA have also been placed on ODOT's Web site. They can be downloaded from <http://www.oregon.gov/ODOT/HWY/REGION1/I-5DeltaPark/index.shtml>.

Please refer to the EA for a list of acronyms, abbreviations, and notable terms used in this Revised EA.

Section 2 of this Revised EA describes the preferred alternative and the reasons for selecting this alternative. Section 3 summarizes mitigation and conservation measures. Section 4 documents additions and changes to the EA. Section 5 addresses public involvement.

Section 6 documents public and agency comments and ODOT's responses to comments. Section 7 presents land use findings of consistency with local plans. Section 8 provides a conclusion statement, and Section 9 identifies agency consultations undertaken since release of the EA in December 2005.

Appendixes to the Revised EA consist of (A) public and agency comments received on the EA; (B) the public hearing transcript; (C) agency comment letters; (D) a list of preparers; (E) technical reports prepared for this project; and (F) signed resolutions.
