

POWELL BOULEVARD *Pavement Preservation* **PROJECT**

The Oregon Department of Transportation (ODOT) is planning a 2.3-mile paving project on Powell Boulevard (U.S. Highway 26) between SE 51st Avenue and I-205. As part of the paving project, sidewalk ramps will be brought into ADA compliance and two new pedestrian mid-block crossings will be installed near SE 57th Avenue and SE 75th Avenue. Construction is expected to begin in spring 2009 and be completed by the end of that year.
