

2012 Construction Projects – Northwest Oregon

INTERSTATE HIGHWAYS

INTERSTATE 5 (PACIFIC HIGHWAY)

- 1 **I-5 Iowa Street Viaduct Replacement** – Replace twin, 55-year-old viaducts carrying I-5 over ravine at Iowa Street in SW Portland (MP 298). Occasional nighttime and weekend lane closures and shifting lane alignments. Completion: 12/2013
- 2 **I-5 SW Gibbs Street Pedestrian Bridge** – City of Portland project constructing a pedestrian bridge over I-5 at SW Gibbs Street (MP 299) in Portland. Nighttime I-5 lane and ramp closures and intermittent slowdowns. Completion: 6/2012
- 3 **I-5 Carman Drive to Lower Boones Ferry Road** – Extend the fourth southbound lane that now tapers off south of the Carman Drive in Tigard, connecting with the exit-only lane for Lower Boones Ferry Road. Intermittent night lane closures and several full closures for Carman Drive onramp to I-5 south. (MP 290.7 to 291.2) Completion: 8/2012
- 4 **I-5 Pacific Highway at Wilsonville Interchange** – Improve the I-5 interchange at Wilsonville and bicycle and pedestrian facilities. (MP 283.8 to 283.9) Occasional ramp and lane closures. Completion: 7/2012
- 5 **I-5 Holladay Street to Marquam Bridge Paving** – Pave I-5 between Holladay Street in the Rose Quarter and the Marquam Bridge. Up to five full weekend closures in one direction and nighttime lane and interstate closures. (MP 300.1 to 301.0) Completion: 9/2012.

INTERSTATE 84 (COLUMBIA RIVER HIGHWAY)

- 6 **I-84 Sandy River to Jordan Road** – Replace two bridges and repair two bridges at the Sandy River near Troutdale. (MP 17.7.) Occasional nighttime lane closures. Completion: 11/2013. OTIA

INTERSTATE 205 (VETERANS MEMORIAL HIGHWAY)

- 7 **I-205 Foster Road to 82nd Drive Paving** – Pave I-205 from 82nd Drive to Johnson Creek Boulevard and install cable barrier in the center median between Foster Road and Otty Road. (MP 15.9 to 17.8) Nighttime lane and ramp closures. Completion: 10/2012

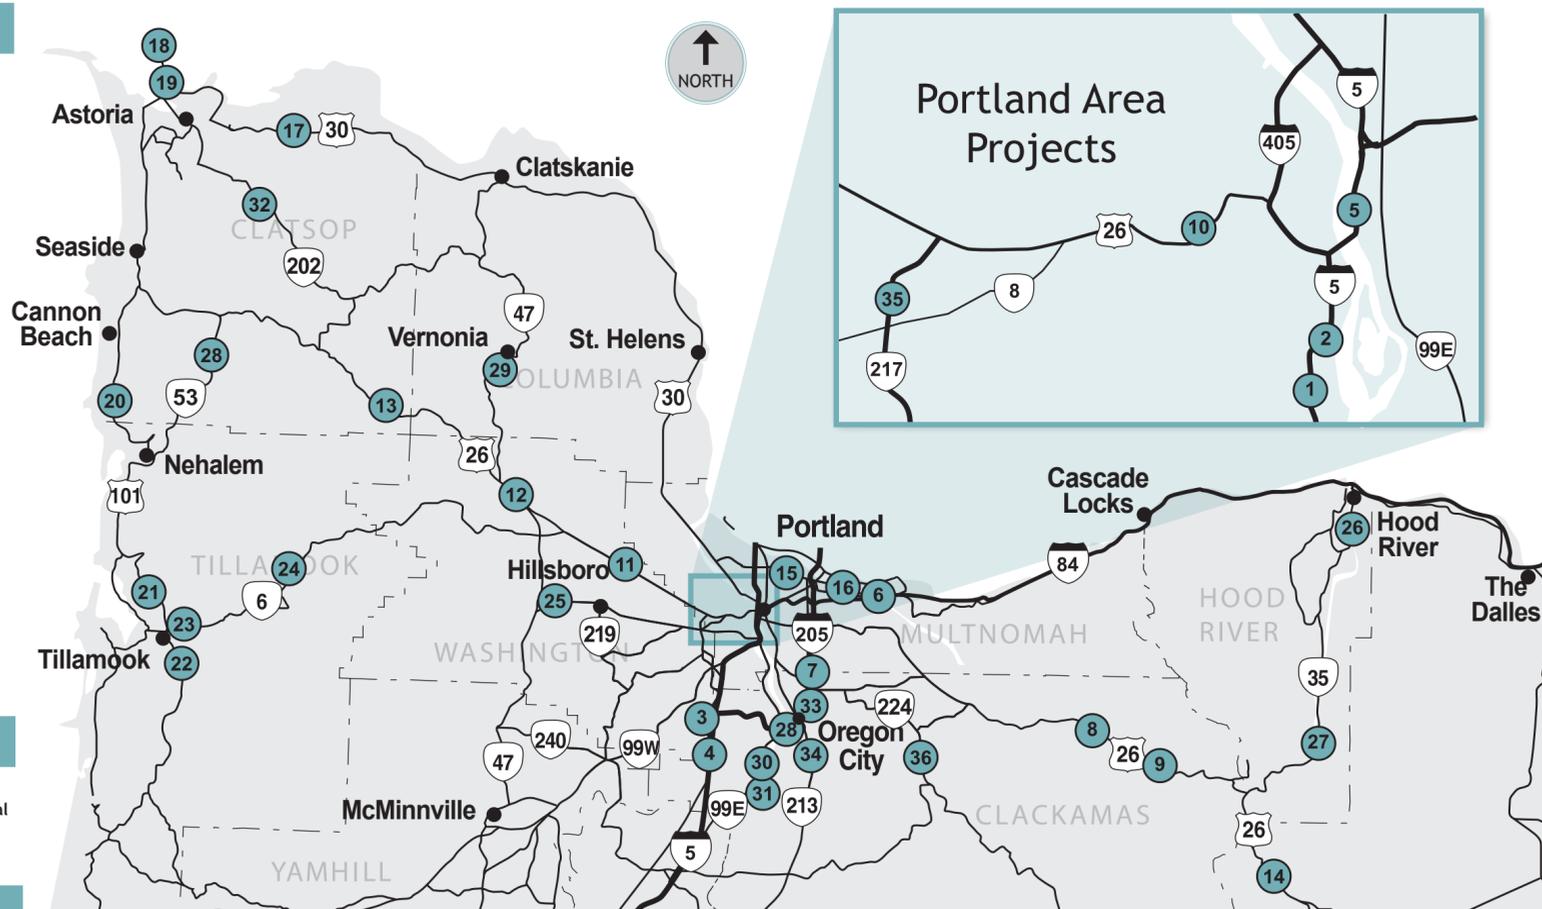

US HIGHWAYS

U.S. 26 (MT HOOD HIGHWAY)

- 8 **U.S. 26 Sandy to Luzon Lane Paving** – Pave U.S. 26 from west of Sandy east to Luzon Lane (MP 22.5 to 26.3). Daytime and nighttime lane closures and occasional flagging. Completion: 10/2012
- 9 **U.S. 26 Cherryville to Salmon River Paving** – Pave and add rumble strips between Cherryville Drive and the Salmon River in Brightwood. MP 30.4 to 37.3. Daytime and nighttime lane closures and occasional flagging. Completion: 10/2012

U.S. 26 (SUNSET HIGHWAY)

- 10 **U.S. 26 Sunset Highway Paving** – Pave both directions between the Sylvan interchange and Interstate 405. Occasional nighttime lane and ramp closures. (MP 71.5 to 73.7) Begins summer 2012 with completion summer 2013.
- 11 **U.S. 26 185th Avenue to Cornell Road** – New travel lane between Cornell Road and 185th Avenue makes the highway three lanes from I-405 to 185th Avenue. (MP 64.3 to 67.0) Some nighttime lane and ramp closures as remaining project elements completed. Completion: Fall 2012.
- 12 **U.S. 26 Glencoe Road Interchange** – A new bridge over the highway, wider westbound exit ramp and other improvements. Intermittent night lane and ramp closures. (MP 56.9 to 57.2) Completion: 12/2014
- 13 **U.S. 26 West Fork Dairy Creek Bridge** – Replace an aging timber bridge with concrete bridge. MP 47.3. Traffic will remain open, routed onto temporary bridge. Completion: 2014

MP = Milepost OTIA = Projects funded by the Oregon Transportation and Investment Act

U.S. 26 (WARM SPRINGS HIGHWAY)

- 14 **U.S. 26 Paving** – Repave 13.5 miles from OR 35 to Wapinitia Junction, install rumble strips and upgraded signs and guardrails. (MP 57.5 TO 71.0) All paving at night with occasional lane closures and flaggers, delays up to 20 minutes. Completion: 8/2012

U.S. 30 (BYPASS)

- 15 **U.S. 30 Bypass (NE Lombard and Killingsworth Streets) Paving** – Improve NE 60th Avenue to 82nd Avenue with new asphalt (MP 9.0 to 10.0) Daytime and nighttime lane closures. Completion: 8/2012
- 16 **U.S. 30 Bypass (NE Sandy Boulevard) Improvements** – New center left turn median, sidewalks and landscaping from NE 122nd Avenue to 141st Avenue. (MP 12.0 to 13.0) Intermittent lane closures. Completion: 10/2012

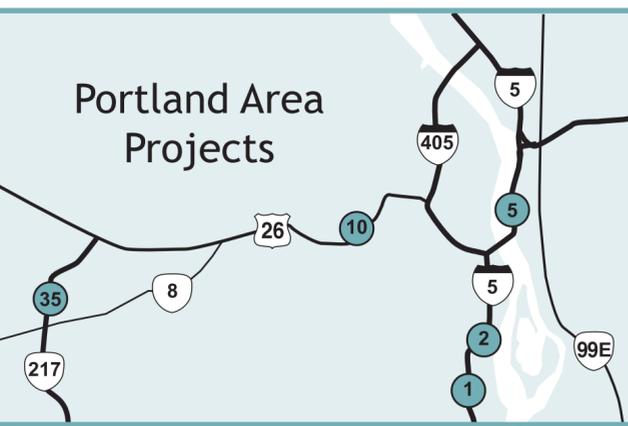

U.S. 30 (LOWER COLUMBIA RIVER HIGHWAY)

- 17 **U.S. 30 Culvert** – Replace culvert with a bridge and realign highway at Mill Creek. (MP 94.4 to 95.1) Minor weekday delays with flaggers. Completion: 9/2013

U.S. 101 (OREGON COAST HIGHWAY)

- 18 **U.S. 101 Bridge Painting** – Repaint northern truss section of Astoria-Megler Bridge. (MP1) Minor delays with daytime single lane closures, including weekends, controlled by flaggers. Completion: 8/2012
- 19 **U.S. 101 Bridge Painting** – Repaint above-deck portion of southern truss section of Astoria-Megler Bridge. (MP 1.8-3.0) Minor delays with daytime single lane closures, including weekends, controlled by flaggers. Completion: 7/2015

Portland Area Projects

- 20 **U.S. 101 Improvements** – Pavement preservation, guardrail and striping between Arch Cape and Manzanita. (MP 35.9 to 43.8.) Minor delays with daytime weekday single lane closures controlled by flaggers. Completion: 9/2012
- 21 **U.S. 101 Culvert** – Replace corrugated metal culvert with reinforced concrete box culvert. (MP 73.0) Weekday single lane closures controlled by 24-hour flagging. Two-way traffic on weekends. Completion: 9/2012
- 22 **U.S. 101 Bridge Replacement** – Replace bridge rail, bridge bearings and surface on Three Rivers Bridge at Hebo. (MP 85.0) Daytime weekday single-lane closures controlled by flaggers. Minor delays. Completion: 6/2012

OREGON HIGHWAYS

OR 6 (WILSON RIVER HIGHWAY)

- 23 **OR 6 Intersection Improvements** – Reconfigure Wilson River Loop intersection to eliminate cross-highway movement. (MP 0.8 to 2.5.) Daytime, weekday, single-lane closures controlled by flaggers. Minor delays. Completion: 10/2013
- 24 **OR 6 Resurfacing** – Resurfacing (chip seals) and striping at various locations. (MP 4.4-18.0 and MP 39.0-51.0) Daytime weekday single lane closures controlled by flaggers and pilot cars. Includes a single day closure (date TBD) between OR 47 and U.S. 26. Some delays. Completion: 9/2012

OR 8 (TUALATIN VALLEY HIGHWAY)

- 25 **OR 8 Paving** – Pave a three-mile stretch of TV Highway between SW 331st Avenue in Hillsboro to Quince Street, OR 47, in Forest Grove. (MP 14.7 to 17.9) Occasional night lane closures. Completion 12/2012.

OR 35 (MOUNT HOOD HIGHWAY)

- 26 **OR 35 Paving** – Pave and stripe from Hood River south for eight miles to milepost 94, with new signs at the southern end. (MP 101.8 to 94.0) Lane closures and occasional pilot car escorts. Completion: 7/2012.
- 27 **OR 35 Improvements** – Replace bridges at White River, Green Apple and Clark Creek and raise the road grade to increase drainage. (MPs 62 to 63 and 65 to 68) Shifting alignments and lane closures. Completion: 10/2012.

OR 43 (OSWEGO HIGHWAY)

- 28 **OR 43 (Oregon City/West Linn Arch Bridge) Improvements** – Continue rehabilitation of the 90-year-old Arch Bridge. (MP 11.4) Bridge remains closed with detour to I-205. Bridge reopens to traffic 10/2012, Completion: 3/2013

OR 47 (NEHALEM HIGHWAY)

- 29 **OR 47 Improvements** – Improve OR 47/Bridge Street from Missouri Avenue to Texas Avenue in Vernonia, with safer access to new K-12 school. Intermittent day and night lane closures. Completion: 9/2012.

OR 99E (MCLOUGHLIN BOULEVARD)

- 30 **OR 99E Paving** – Pave and re-stripe along two sections of 99E between 10th Street in Oregon City and Pine Street in Canby. Lane closures with traffic controlled occasionally by flaggers. Completion 10/012.
- 31 **OR 99E Widening** – Widening highway, new left turn refuge, drainage, traffic recorder, signing and safety improvements at Belle Passi Road. (MP 34.) Possible minor delays. Completion: 9/2012

OR 202 (NEHALEM HIGHWAY)

- 32 **OR 202 Nehalem River Bridge** – Remove and replace Nehalem River Bridge. (MP 43-44) Temporary, one-lane traffic signals 24-7. Flaggers with single-lane alternating traffic, delays less than 20 minutes. Completion: 6/2012

OR 213 (CASCADE HIGHWAY SOUTH)

- 33 **OR 213 Jughandle** – Continue reconstruction of the interchange at Washington Street in Oregon City. Occasional lane closures. Completion: Spring 2013
- 34 **OR 213 Paving** – Pave and re-stripe between S. Spangler Road and Monte Carlo Way. (MP 6.0 to 7.7) Flaggers and occasional night lane closures. Completion: 8/2012

OR 217 (BEAVERTON-TIGARD HIGHWAY)

- 35 **OR 217 Paving** – Pave and stripe the highway in both directions between Tualatin Valley Highway and US 26, including interchange ramps. (MP 0 to 1.5) Intermittent night lane closures. Completion: 12/2012.

OR 224 (CLACKAMAS HIGHWAY)

- 36 **OR 224 Repaving** – Pave and stripe from Rock Creek to Deep Creek. Night lane closures with flaggers and pilot car. (MP 8.2 to 13.9) Completion: 9/2012
