

# U.S. 26 Paving Project

NW Glencoe Road to Mile Post 53

Fall 2016 Newsletter

## Improvements to U.S. 26 coming to your area in 2017

Next spring, ODOT will begin making several improvements to U.S. 26 (Sunset Highway) between NW Glencoe Road and Mile Post 53. Key elements of the work will include:

- Repaving both directions of U.S. 26
- Repaving of the NW Wilson River Highway (OR 6) and the NW Dersham Road interchange ramps
- Adding cable median barrier
- Adding rumble strips
- Resurfacing four freeway bridges
- Repaving the weigh station

### Anticipated Project Schedule

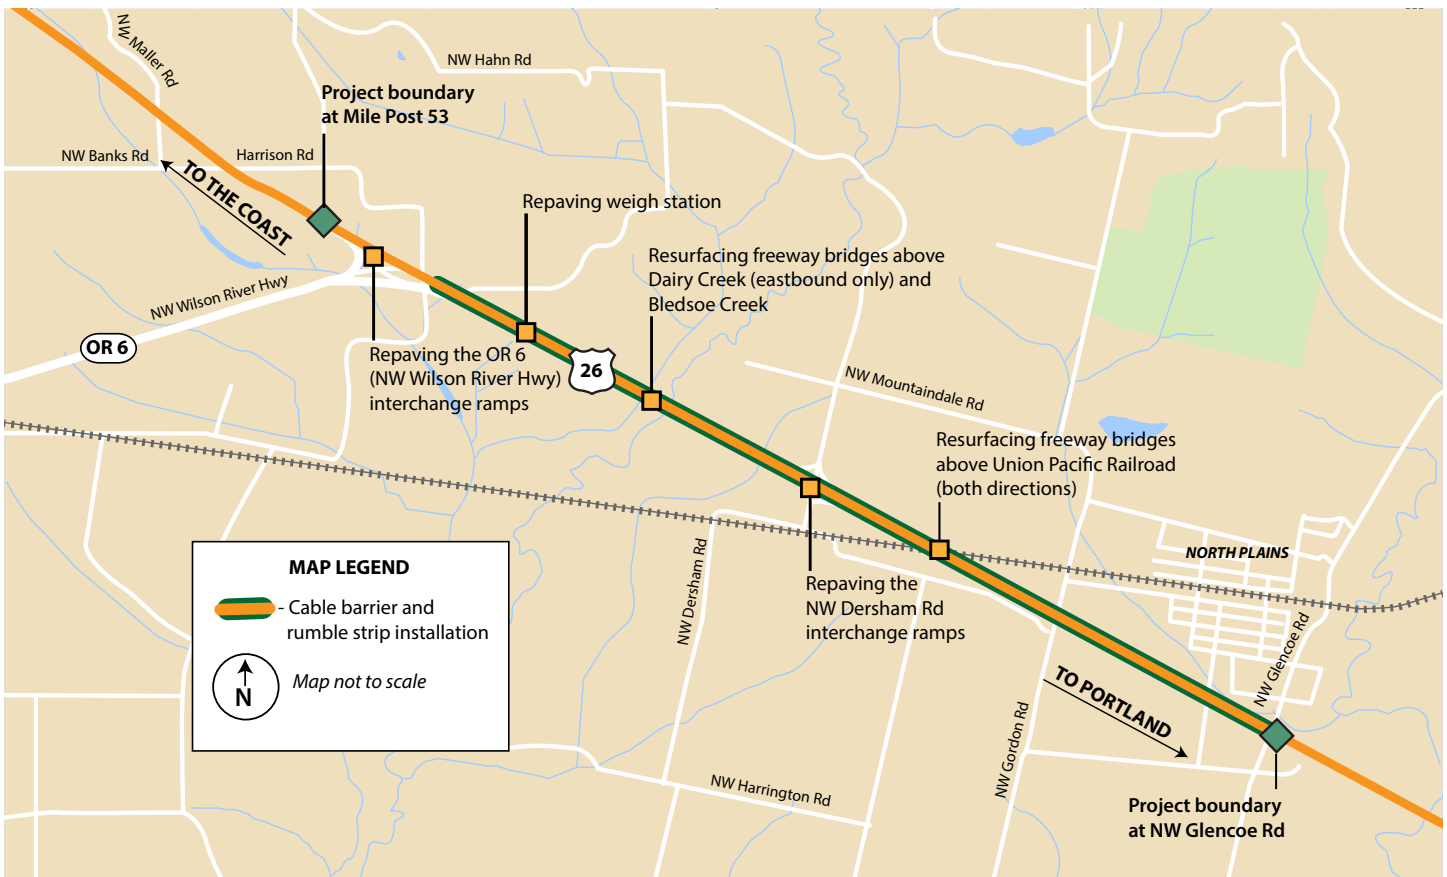

**Design** - Now through December 2016

**Construction** - Spring through Fall 2017

### All Lanes Open During the Day

Work will take place during the day and nighttime. All lanes will remain open during the day, with lane closures occurring at night. Ramp work will require nighttime detours. Check the website for up to date traffic information once construction begins.
