

THE GLENCOE INTERCHANGE PROJECT

Join us for an Interchange Design Workshop!

Interchange Design Workshop

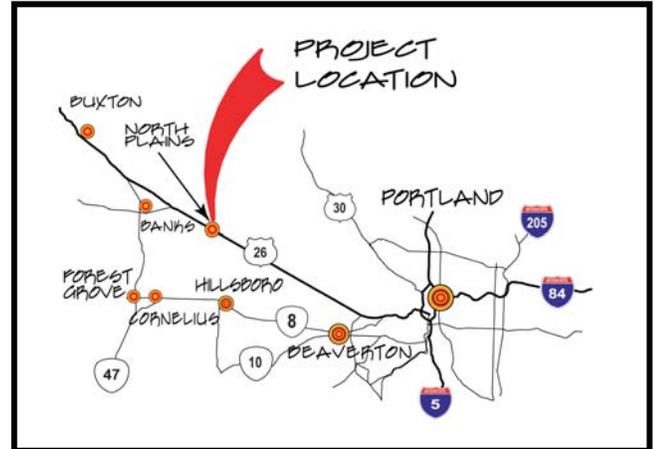

5:30-7:30 p.m. Thursday, June 8, 2006
North Plains Elementary School Cafeteria
32030 NW North Avenue, North Plains

Sign-in, review information and talk to staff from 5:30 until 6 p.m. Presentation and workshop will begin at 6 p.m. If you can't make it by 6 p.m., drop-in anytime.

The Oregon Department of Transportation (ODOT) and Washington County are planning improvements to the interchange at U.S. 26 and Glencoe Road. The project will improve safety and reduce congestion in the area by redesigning the interchange and improving Glencoe Road from the interchange through the intersection of Glencoe and West Union roads.

ODOT invites you to put pen-to-paper and help develop potential interchange design concepts that will be evaluated during the project. Plan to join us for the interchange design workshop!

Visit our project web site at www.oregon.gov/ODOT/HWY/REGION1/glencoe
