

## **Traffic Advisory**

### **I-84 Lane Closure in Troutdale on Thursday Night**

The Oregon Department of Transportation will close one lane of eastbound Interstate 84 just prior to the Sandy River Bridge, mile post 17.75, beginning at 11 p.m. on Thursday, Feb. 8, and ending at 3 a.m. on Friday, Feb. 9. The single lane closure will allow an ODOT crew to safely complete highway surface repair. The work crew will first close the right lane of I-84 for the road repair, then switch over to do repairs on the left lane. One lane of eastbound I-84 will remain open at all times during the work. The eastbound I-84 on-ramp at 257<sup>th</sup> Avenue will be open during the road repair.

This work is weather dependent.
