TRAFFIC ADVISORY

Repairs will close I-84 ramp to I-5 north Monday night

Fixing damage from an earlier crash will mean a one-hour closure

The ramp from westbound Interstate 84 to northbound Interstate 5 will close for an hour Monday night while crews repair an attenuator damaged in a crash earlier in the day.

Starting at 10 p.m. Monday, all westbound traffic on I-84 will be diverted to I-5 southbound. Motorists may reach the northbound lanes of I-5 by taking I-5 south to Interstate 405 and going north over the Fremont Bridge back to I-5.

The attenuator was damaged in a crash Monday morning.
