TRAFFIC ADVISORY

82nd Ave. safety project paving Sunday

Expect lane closures on N.E. 82nd Ave. between N.E. Wasco and N.E. Jonesmore

Starting at 7 a.m. Sunday, Oct. 18 to noon, Monday, Oct. 19, alternating single lane closures will take place in each direction on N.E. 82nd Avenue between N.E. Broadway and N.E. Multnomah. The closure will allow the contractor working on the N.E. 82nd Avenue safety improvement project between N.E. Jonesmore and N.E. Wasco to perform paving and concrete work. Motorists should expect delays and congestion while traveling through the area.

To prevent pedestrians from entering the work zone, temporary fencing borders the sidewalk adjacent to N.E. 82nd Ave. Pedestrians must use the signalized crosswalks at N.E. Jonesmore and N.E. Wasco to cross N.E. 82nd Ave. Additionally, **Tri-Met has temporarily relocated two bus stops along 82nd. Ave. The temporary southbound bus stop is located just north of N.E. Jonesmore. The temporary northbound bus stop is south of the transit area. The new bus stop locations will remain in place until construction is complete in late November.**

The N.E. 82nd Avenue safety improvements include a center median sculpture, new crosswalks, bus stop improvements and striping. Most of the work will take place during daytime work hours from 8 a.m. to 3 p.m. **The contractor will intermittently close lanes each day until the project is complete at the end of November.** Future lane closures on N.E. 82nd Avenue will be posted on the project website above.
