

TRAFFIC ADVISORY

Interstate 84 lane closures for installation of reflective barrier panels

The Oregon Department of Transportation will install reflective barrier panels on Interstate 84 on the nights of Friday, Feb. 16, and Thursday, Feb. 22. Lane closures associated with the barrier work are:

Friday, Feb. 16:

- ◆ The left lane of eastbound I-84 will be closed between 10 p.m. on Friday, Feb. 16, and 5 a.m. on Saturday, Feb. 17, from the 28th Avenue overpass to the Sandy Boulevard overpass.

Thursday, Feb. 22:

- ◆ The right lane of eastbound I-84 will be closed between 10 p.m. on Thursday, Feb. 22, and 5 a.m. on Friday, Feb. 23, from the 28th Avenue overpass to the Sandy Boulevard overpass.

All other lanes on I-84 will remain open during the barrier installation work. This work is weather dependent.
