## CONSTRUCTION BEGINS ON HIGHWAY 99E PROJECT

A contractor for the Oregon Department of Transportation is starting work on a highway safety project next month on a section of Highway 99E. Starting in early July, construction will commence on Highway 99E between milepost 18.9 and milepost 19.7, in Canby.

**Work to be completed**

This \$1.9 million safety project includes the following upgrades:

- Improving sight distances on Highway 99E and on Territorial Road
- Installing a traffic signal at the intersection of Highway 99E and Territorial Road (milepost 19.3)
- Paving and striping the highway in the construction zone
- Adding sidewalks on Territorial Road west of the intersection with Highway 99E
- Working with Union Pacific Railroad to bring existing crossing on Territorial Road up to current standards

--more--

**Project Open House**

A project open house will be held Thursday, July 6 from 5 p.m. to 7 p.m. at the New Life Foursquare Church, 2350 E. Territorial Road. The open house will provide local residents and community members with an opportunity to learn more about the project, and ask ODOT and contractor staff questions about construction, scheduling and traffic impacts. This is an informal event and citizens are encouraged to stop by any time the evening of July 6.

Parker Northwest Paving Company from Oregon City is the prime contractor for the project.
