

## TRAFFIC ADVISORY

### Upcoming lane and ramp closures on I-205

*Drainage and joint work will cause closures on the I-205 Abernethy Bridge*

Oregon Department of Transportation bridge crews will close ramps and lanes on the Interstate 205 Abernethy Bridge to perform drainage and joint work on the nights of **Friday, Jan. 16 and Saturday, Jan. 17**. Motorists should expect delays during the work, which is scheduled to take place as follows:

- **From 9 p.m. on Friday, Jan. 16, to 5 a.m. on Saturday, Jan. 17, crews will close alternating southbound lanes on the I-205 Abernethy Bridge connecting Oregon City and Oregon City (one lane will remain open at all times).** The joint and drainage repair will also require the closure of the on-ramp from northbound Highway 99E to southbound I-205 from 9 p.m. to 1 a.m. Detour for ramp closure: Motorists traveling on northbound Highway 99E can take I-205 northbound to the Highway 213 Park Place/Molalla exit and take the ramp back to I-205 southbound.
- **From 9 p.m. on Saturday, Jan. 17, to 5 a.m. on Sunday, Jan. 18, crews will close alternating northbound lanes on the I-205 Abernethy Bridge.** The joint and drainage repair will require the closure of the ramp connecting southbound Highway 43 to northbound I-205 from 9 p.m. to 1 a.m. Detour for ramp closure: Motorists traveling on southbound Highway 43 can continue south across the Oregon City/West Linn Arch Bridge and take northbound Highway 99E to I-205 northbound.
