

Traffic Advisory

I-205 ON-RAMP CLOSURE

A contractor working for the Oregon Department of Transportation (ODOT) will close the Sunnybrook Boulevard on-ramp to northbound Interstate 205 next week. The on-ramp closure will be in place Monday, Dec. 19 through Wednesday, Dec. 21 from 9:00 a.m. to 2:30 p.m. each day. The ramp closure will allow the contractor to safely install new drainage features.

During the on-ramp closure period, motorists headed for northbound I-205 should proceed north to the Sunnyside Road on-ramp. Detour signs will be in place to assist drivers.
