

TRAFFIC ADVISORY

Upcoming lane closures in Portland area

Inspection operations will impact I-405 and I-84 this weekend

Two inspection projects will impact Portland freeways during the weekend. Motorists should expect delays during the weekend work. The work and closures are expected to take place as follows:

- **ODOT crews will close the left lane on northbound Interstate 405 between S.W. Jefferson and S.W. Columbia on Saturday, Feb. 28 from 6 a.m. to 9 p.m.** The lane closure will allow crews to perform bridge inspection operations.
- **ODOT crews will close the right lane in both directions on the Interstate 84 Sandy River Bridge Sunday, March 1, from 6 a.m. to 4 p.m.** The lane closure will allow crews to perform bridge inspection operations. The ramps from I-84 to Troutdale (exit 17) and from I-84 to Jordan Road/Lewis and Clark Trail (exit 18) will be open at all times during the lane closure.

During all maintenance and inspection operations this weekend, motorists should be aware of equipment and personnel on the freeway. Please drive safely through the work zones.
