Powell Boulevard paving project open house

Project will pave, add crossings at 57th Ave. and 75th Ave.

The Oregon Department of Transportation is planning a 2.3-mile paving project on Powell Boulevard (U.S. Highway 26) between S.E. 51st Avenue and Interstate 205 in 2009. As part of the paving project sidewalk ramps will be brought into American Disabilities Act (ADA) compliance and two new pedestrian mid-block crossings will be installed near SE 57th Avenue and SE 75th Avenue.

Please plan to attend an open house Tuesday, June 17, 2008 from 5 p.m. to 7 p.m. at Marshall High School Auditorium, 3095 S.E. 91st Ave., in Portland. Representatives from ODOT will be on hand to answer questions about project design, construction schedule, and neighborhood impacts.

The project is expected to begin in spring 2009 and be completed by the end of the year.
