

Oregon Department of Transportation

**Draft 2008-2011 Statewide
Transportation Improvement Program
Region 1**

*Columbia, Washington, Multnomah, Clackamas
and Hood River Counties*

Glencoe Interchange

Key Number: 12885

Project Location: US 26 @ Glencoe Road (MP 57.16); Washington County

Contact Person: Tim Wilson

Phone: 503.731.8534

Total Estimated Project Cost: \$26 million

Funding approved: \$522,000 was approved in the 06-09 STIP for PE. Washington County is contributing \$1.2 million.

Funding proposed: \$6,000,000 for PE and protective right-of-way purchase for interchange and PE and construction for Glencoe Rd.

Project Description: The project will widen the Glencoe Road overcrossing of U.S. 26 to correct existing horizontal clearance and seismic deficiencies while providing for a flatter and less hazardous grade for truck traffic. Widening the interchange would allow for bike lanes and sidewalks on both sides of the overpass. The project also includes improvements on Glencoe Road from the interchange to the West Union cross road.
