**US30: Widening at Tide Creek  
Aka Tide Creek Turning Lane**

**Key Number:** TBD

**Project Location:** US30: at Tide Creek

**Contact Person:** Tim Wilson

Phone: 503.731.8534

**Total Estimated Cost for the Project Milestone:** \$ 1,100,000

**Project Description:** Construct a left turn lane for northbound traffic to exit US30 and enter Tide Creek Road. Due to the close proximity of US30/Tide Creek Bridge, there is no space for a turn lane without widening the bridge. The US30 Tide Creek Bridge is scheduled for replacement in 2008 by OTIA III. This project would incorporate the turn lane project into the bridge replacement project.
