

# Project Information

## Highway Division—Regions 1 & 2

---

### Wilson River Highway bridges

OR 6: Wilson R (Mills) – Devils Lake Fork – Bundle 510  
OR 6: Wilson R-US26:Hwy 47 WB over PHWR (Vadis) – Bundle 512  
*Updated: Mar. 16, 2009*

#### **Project description**

- Repair three bridges and replace one bridge on Highway 6, the Wilson River Highway, in Tillamook County.

#### **Purpose and need**

- ODOT must replace or repair these aging bridges to ensure continued safety and keep traffic moving smoothly and efficiently along Highway 6 corridor between Glenwood and Tillamook.

#### **Construction overview – Bundle 510 bridges**

- Replace the Highway 6 bridge over the Wilson River (Mills) at mile post 5.78.
- Repair the Highway 6 bridge over Devils Lake Fork of the Wilson River at mile post 32.

#### **Project milestones**

- Construction bid let: April 2010.
- Project completion: November 2012.

#### **Construction overview – Bundle 512 bridges**

- Repair the Highway 6 bridge over Jordan Creek at milepost 18.
- Repair the Highway 6 bridge over the Wilson River at milepost 11.8.

#### **Project milestones**

- Construction bid let: June, 2009
- Project completion: November 2009.

#### **Construction impacts**

- Depending on the repair or replacement method chosen, drivers may encounter narrower lanes or alternating one-way traffic controlled by signals during construction.
- Expect minor delays and occasional single-lane closures at the work sites during construction.

#### **Project budget and funding**

- Design and construction budget: approximately \$28.6 million for all four bridges.
- Funding provided by the Oregon Transportation Investment Act.
