PROJECT PURPOSE AND NEED

This project is located at the intersection of the Oregon Coast Highway (US 101) and Latimer Road (a county road) in Tillamook, Oregon. The Tillamook Cheese Factory is located just north of Latimer Road on US 101. The RV entrance to the Cheese Factory and the truck entrance to the Cheese Factory are located on Latimer Road. An estimated 150 trucks a day use the truck entrance. In addition, Latimer Road serves as a detour route for US 101 traffic during flooding events.

This project proposes to install a traffic signal at Latimer Road, provide access management on US 101 near the intersection, and add turn lanes on US 101 and on Latimer Road.
