

# Highway Project Information

**Area 3 Project Office: Salem** (503) 986-2900

State Highway Development and Construction in Marion, Polk and Yamhill Counties

---

## OR 22: French Cr. Rd (Detroit) – US 20 (Santiam Jct)

### **Project location**

This project begins at the French Creek Road, just west of Detroit and extends east to the US 20 Junction. There is a no work area from Mile Point 55 (east city limits of Idanha) to Mile Point 61.126 (White Water Road).

### **Project purpose and need**

This is a Pavement Preservation project. The Road surface pavements have reached the end of their design life.

### **Construction overview**

- Repave the surface of the roadway
- Install inlayed durable striping
- Replace roadside markers
- Due to the high volume of traffic, work that will restrict traffic to one travel lane will be performed at night

### **Cost estimate**

- Estimated construction cost—\$10,000,000
- Federal and State Funding through the Pavement Preservation Program.

### **Key project milestones**

- Project Design — June 2010 – March 2011
- Right of Way — This project will be completed within the existing highway right of way.
- Bid Let Date — Estimated for May 2011.
- Construction — Work will commence Summer 2012

### **How to get involved**

- News release prior to construction and weekly updates during construction.
