## February 2010 Update

We would like to take a moment and let you know how ODOT is listening to the needs of Lincoln City.

### PROJECT UPDATE

- We are continuing to discuss city staff's mid-January staff reports requesting adjustments to the facility plan's conceptual layout.

You can view the conceptual layout [online here](#) under information about the facility plan.

Federal, state and local officials will meet this month to talk about the requested changes.

We will keep you informed of the outcomes of that meeting.
