

US101: SE 16th-SE 36th Street (Lincoln City)

May 2009 CAC Update

We will not be having CAC meetings this spring. Thank you for waiting while ODOT and Lincoln City leaders continue to coordinate plans around design options.

PROJECT UPDATE

- The Project Steering Committee is continuing to review solutions for the project, specifically within Nelscott.
- Options for the Nelscott District will be presented at a City Council meeting for a decision on which option to incorporate into the project. The presentation will be on June 15, 2009 from 2:00p.m. to 3:30p.m. in the Lincoln City City Council Chambers.
- A copy of the City Council presentation will be posted on the project's Web site.

www.ODOTproject.info

We will keep sending updates to CAC members on the progress of the project and will let CAC members know when the next CAC meeting will take place. We do not have an anticipated date for the next meeting.
